Dear Diary:

"Florida Southern College is everything I expected. I mean this place has just a spiderweb of activities. Obviously, this college wasn't designed for a 24-hour day — there is more to do than I have time for. But I can't decide exactly what it is that makes

STUDENT LIFE

at Florida Southern so great. Could it be the abundance of campus organizations? Or is it the exciting athletic program? Intramurals? Rush? Studying? Socializing? It couldn't be Dominoes — could it? Maybe it's the total Southern environment that makes this place a beehive of activity."

"I've overlooked probably the most important part of Florida Southern College — scholastic achievement. The administration, faculty, and students seem to be engaged in an educational conspiracy. From the Dean's list to the honor walk, this school is filled with

NOTABLES

Florida Southern is a four-year stepping stone to success in a highly-competitive world where scholastic achievements and honors seem as important as degrees. Depositing your knowledge in the Florida Southern bank is indeed a worthwhile investment — it'll pay back with interest."

Dedication —

William H. Boyer

"You can call him 'Skip.' I call him 'Skippy'."

by Nancy Stanley

It is an honor to be asked to write this dedication of the 1982 issue of the *Interlachen* to Skip Boyer, Public Relations Director of Florida Southern College. An honor, and yet, for me, an unenviable task; how am I ever going to do it properly? Nothing about Skip Boyer is proper, or mundane...

In the first place, I call him "Skippy," most everyone else calls him "Skip," only those who don't know him call him "Mr. Boyer." (This minority is small in comparison with those who know Skip.)

Skip is more than just a P.R. director. He's a P.R. person, always ready to help. Nine times out of ten he'll drop what he's doing to help you find the right slides so you can finish your project, or, if you just want to talk, he'll invite you to come in, sit down, and chat — on occasion he'll even hold his phone calls.

Skip has served as P.R. Director since 1977. He worked as Director of Public Relations at Virginia Wesleyan College for five years before coming to Southern.

A native of Omaha, Nebraska, Skip is a 1967 journalism graduate of Hastings College in Nebraska and also holds a master's degree in journalism from Kansas State University. He and his wife, Marcia, have two children.

Besides being P.R. Director of the college, Skip teaches a course entitled the History of Journalism. This class is a particular favorite; the history of the press has long been a hobby of Skip's. (If you go to his office, he'll be glad to show you some of his memorabilia.)

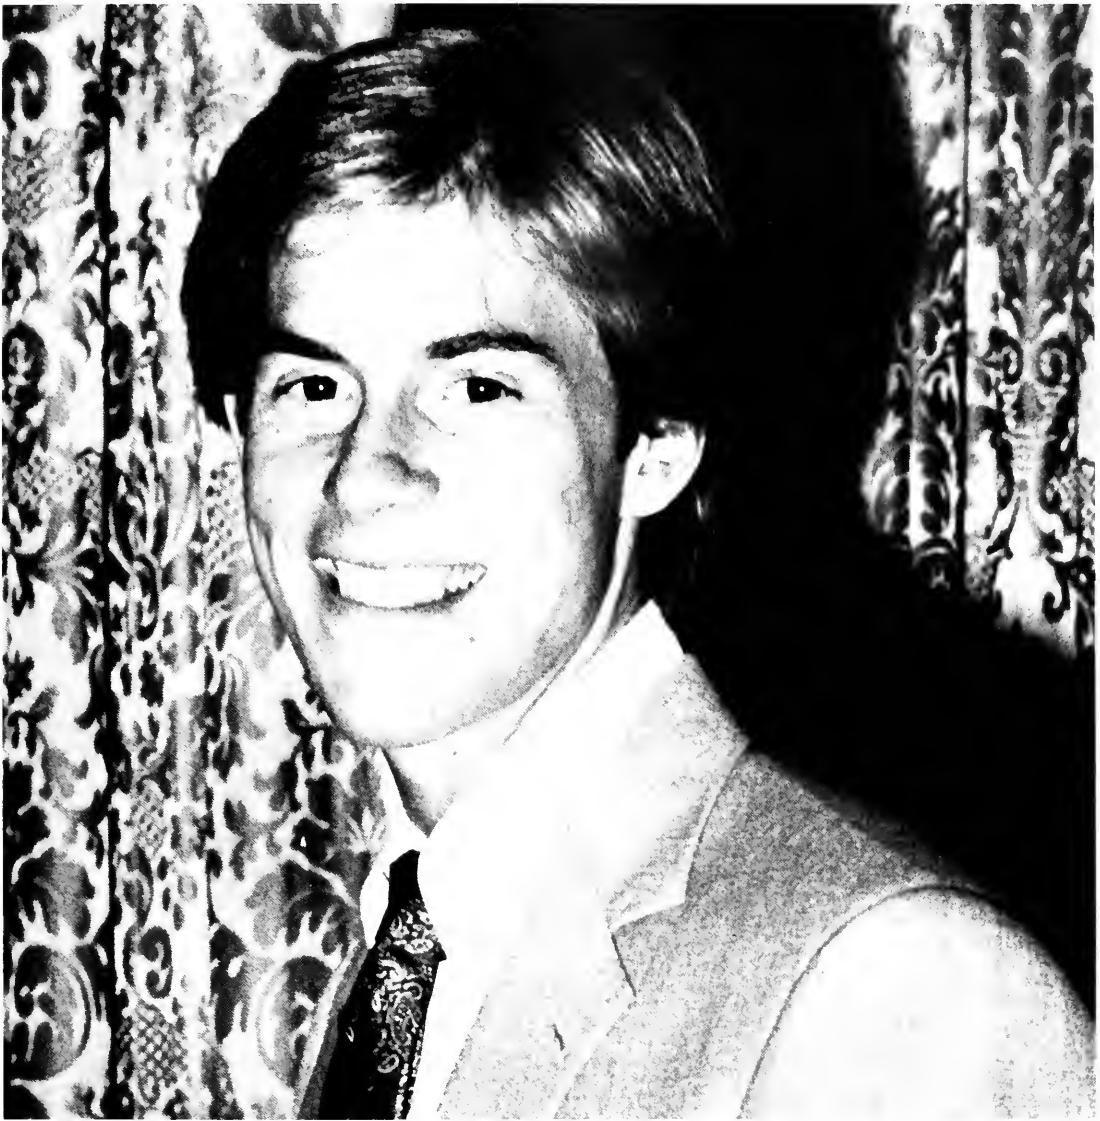

Skip excels as a free-lance photographer. He also builds models of all sorts of things; his latest, at press time, was a paper model of the Pentagon.

And after all these things I lose count, except for one thing; he loves trains and books.

In regards to most everything, as public relations director, Skip tries to find a new way to write or design it. He has to find just the right typeface or color. He'll cut, paste up, and layout an entire page, then take the whole thing apart again until he gets it exactly the way he wants it.

Personally, I just don't see how he does it all. And there's so many other things I can't even write about; like his twinkling blue eyes, or his very dry sense of humor.

For more information, I suggest you pay him a visit. You can call him "Skip," I call him "Skippy."

ARNOLD PALMER

48th HONORARY CHANCELLOR

Legendary golf great Arnold Palmer is the 48th in a long line of distinguished national and international leaders to serve as the Honorary Chancellor of Florida Southern College.

Palmer's amazing career began with his victory in the U.S. Amateur Championship in 1954. He turned professional a few months later and has played on the pro tournament circuit since then. His hottest period was a four-year stretch from 1960-1963 when he landed 29 titles and collected almost \$400,000 at a time when the purses were much smaller than today. It was also during this period that Palmer made his move into the business world. Today he is the president of Arnold Palmer Enterprises, a multi-division organization encompassing much of his commercial activities. He is also the president and owner of Latrobe Country Club in Pennsylvania and the president and principal owner of Bay Hill Club and Lodge in Orlando, the scene of the Bay Hill Classic, an important stop on the U.S. Tour.

It is with pleasure that we welcome Mr. Palmer, a champion athlete, business executive, and devoted husband and father.

The Association of Women's Students helps to involve the women on campus in school and community activities. One of their many projects is a fund raiser for the Lakeland Speech and Hearing Clinic. AWS also sponsors an annual fashion show. Members are required to have a GPA of 2.0 and be a full-time student on campus.

The Student Government Association works closely with the students and administration to establish by-laws and student-related activities on campus. Wesley Fellowship is a group of students whose purpose is, to "support one another in Christian love." They do this in several ways. Each year Wesley has retreats, projects to fight world hunger, special speakers and informative programs. Through these and other activities Wesley Fellowship grows as a caring group, both inwardly and outwardly.

Chaplain Bill Barnes is the advisor to Wesley, Fellowship of Christian Athletes, and Pre-Ministerial. The Fellowship of Christian Athletes is an organization whose primary purpose lies in both the adventure and challenge of living the Christian life. Although the organization is mostly made up of athletes, all are invited to join who

have an interest in sports and Christian fellowship. The Pre-Ministerial students, affectionately known as the "pre-minis" carry on theological discussions to develop their "theology." The pre-minis, led by Bruce Bunton, help to present real-life situations to discuss.

Lambda Chi Alpha

Lambda Chi Alpha was started in 1809 at Boston University Law School by Warren Albert Cole. In the last 73 years, Lambda Chi Alpha has grown from its original chapter to over 260 chapters, and they are still growing. Lambda Chi is the third largest fraternity and second largest number of chapters. The F.S.C. chapter was chartered in 1938 and

was at one time the largest fraternity on campus with over 150 members. Lambda Chi was one of the first frats to *nationally* discourage hazing and abandon the idea of pledgeship. When one joins he becomes an associate member, rather than a pledge, and is given all the rights and privileges of a brother.

Pi Kappa Alpha

Pi Kappa Alpha Fraternity was founded on March 1, 1868, at the University of Virginia. The founding was attributed to the high ideals, characteristics and principles of Robertson Howard, Julian Edward Wood, James Benjamin Sclator, Jr., Fredrick Southgate Taylor, Littleton Waller Tazewell (Bradford), and

William Alexander, our founders. Our Chapter (Delta-Delta) became the One-Hundredth Chapter back in 1947. This year we celebrate our 35th year on campus. For 35 years we have continued to uphold the lasting brotherhood, good times, and the tradition of Pi Kappa Alpha.

Sigma Alpha Epsilon

For over 50 years Sigma Alpha Epsilon has been a steadfast organization at Florida Southern College. Since its establishment in 1949 ΣAE has continuously provided the student body with leadership in a diverse array of organizations. ΣAE has also been a strong link in the fraternal chain here on campus,

always attempting to perpetuate the growth of the Greek organizations with the hope that the Greek way of life will always be a part of Florida Southern. Whether it be academics, athletics, or the betterment of the college community, Sigma Alpha Epsilon is always striving for a better way.

Sigma Chi

Founded in 1855, the Sigma Chi Fraternity is well recognized in the Greek World today. Likewise, the Epsilon Sigma Chapter chartered in 1959 maintains a similar stature here at F.S.C., following the ideals represented in the White Cross, a

symbol of our fraternity.

Through it all, Sigma Chi remains a privilege, a foundation for the future, and an eternal friendship. Sigma Chi is what others strive to be — an organization that knows no age.

Our chapter received the "Top Teke Chapter award" for small colleges in 1973. TKE is founded on the belief

that the 3 essential elements for meaning fraternal relations are love, charity, and esteem. Our motto is "TKE is for Life." The 1981-82 edition of Beta Tau will remember our Sweetheart Lorraine Drake and Mom Chisolm, their contributions and love, and our little sisters for all the help they have given us.

"I had no idea that Florida Southern had such a first-rate athletic program. Last year FSC won an unprecedented three national championships — the triple crown — in basketball, golf, and baseball. The women's teams are also indicative of the excellence of the Florida Southern

SPORTS

program. From court to court, diamond to diamond, or course to course, Florida Southern teams demonstrate dramatic, exciting, and action-packed NCAA Division II action."

SOCCER TEAM

The 1981 edition of the Florida Southern Soccer Mocs had to be one of the most exciting ever. Head coach Sam Snow and asst. coach Kurt Luginbyhl took a team comprised of mostly freshmen and sophomores up against some of the toughest competition in the nation. Strong showings against such teams as the University of South Florida (ranked 1st in Florida), Florida International

(2nd in the nation), and eventual national champion University of Tampa, proved that the Soccer Mocs can challenge the best teams in the nation. A 2-1 upset over F.I.T. Melbourne (5th in the region) and shut-outs over Emory University and Stetson University highlighted the season as the Mocs won 4 out of their last 6 games.

Soccer — 1st Row: John Lefebber, Todd Starkes, Dan McGraw, Sean Murphy, Bobby Kramig, Carlos deRada, Butch Nichols, Greg Bates, Howard Penny, Fred Amer, Bill Connors. 2nd Row: Sam Snow, Pat Hegert, Dan Dyer, Minter Goodson, Kurt Oettl, Jose Davis, Tom Murphy, Hank Gibson, John Mines, Darryl Long, Kurt Luginbyhl

The youthful Mocs were led by Co-captains Bobby Kramig and Kurt Oettl. Exceptional performances were turned in by freshman defenders John Mines and Pat Hegert. Heading up the Mocs attack was leading point scorer John Lefeber as he, Sean Murphy, Darryl Long and Hank Gibson provided most of the scoring.

The Mocs are definitely a team of

the future, and although they will sorely miss the services of seniors Dan McGraw, Butch Nichols, and Bobby Kramig, the Mocs should come back for an even stronger season next year. Senior Bobby Kramig reflects, "In 4 years I have seen this team struggle to remain a varsity sport, and emerge as one of the better teams in the state. I have enjoyed every single minute of it."

VOLLEYBALL TEAM

Florida Southern's Lady Mocs entered the 1981 AIAW National Tournament with a 41-6-2 record, ranked sixth in the nation for AIAW schools and second by the NCAA. FSC beat Florida International for the Region III title.

The Lady Mocs were led by an outstanding trio of juniors who have all earned all-Sunshine State Conference, all-state, and all-region honors this year. They are Holly Butterfield, Lisa Mason and Sandy Hudson. Other starters for the Mocs were: Amy Heuser (all conference), Sindee Snow, and Mary Kay Czajka.

Along with their first regional ti-

tle, the Lady Mocs captured the first Sunshine State championship. In regular season tournament play they won their own Lady Moc Invitational, and fourth at the Texas Lutheran Tournament.

In 1980 Coach Lois Webb was named Florida AIAW Coach-of-the-Year after leading the Lady Mocs in an outstanding year.

SKI TEAM

Dedicated. That is one word senior, Tommy Usher, uses to describe the Florida Southern Ski Team and Club. This dedication from both the ski club, which helps financially support the team, and the team members, helped the team to capture first place at Southern Regionals in Groveland, Florida.

Ski Team — 1st Row: Bonnie McCarter, Barb McCarter, Lynn Domagala, Shan Garesens, Judi Sullivan. 2nd Row: Amy Schuier, Sharn Mimms, Tom Ingram, Tom Usher, Jon Wreede, Ken Janata, Chuck Matthews, Rick Anderson.

As a result the men's and women's teams packed their bags and headed for Nationals in Sacramento, California. At Nationals both teams took third place rankings. They competed in three events, Slalom, Trick, and Jump categories.

Individually, Rick Anderson, a freshman, took first place overall. Tommy Usher took fourth place. The senior team captain, Tommy Ingram,

previously took first place at the 1980 Nationals.

Although the team loses Jon Wreede, Tommy Usher, Tommy Ingram, Curt Guyer, and Betsy Graff because of graduation, they have gained their top skiers, Rick Anderson and Judi Sullivan and Sharri Garesens. Rick is a member of the United States Ski Team. The team's coach is Lisa Mimms.

GOLF TEAM

Undiscovered. Junior Mike Domalske offers that word when referring to the Florida Southern golf team. Undiscovered, that is, to Florida Southern students. However, in the world of golf, Florida Southern golfers turn heads. Last year our golf team took first place at the NCAA national tournament, helping our school to obtain the Tri-

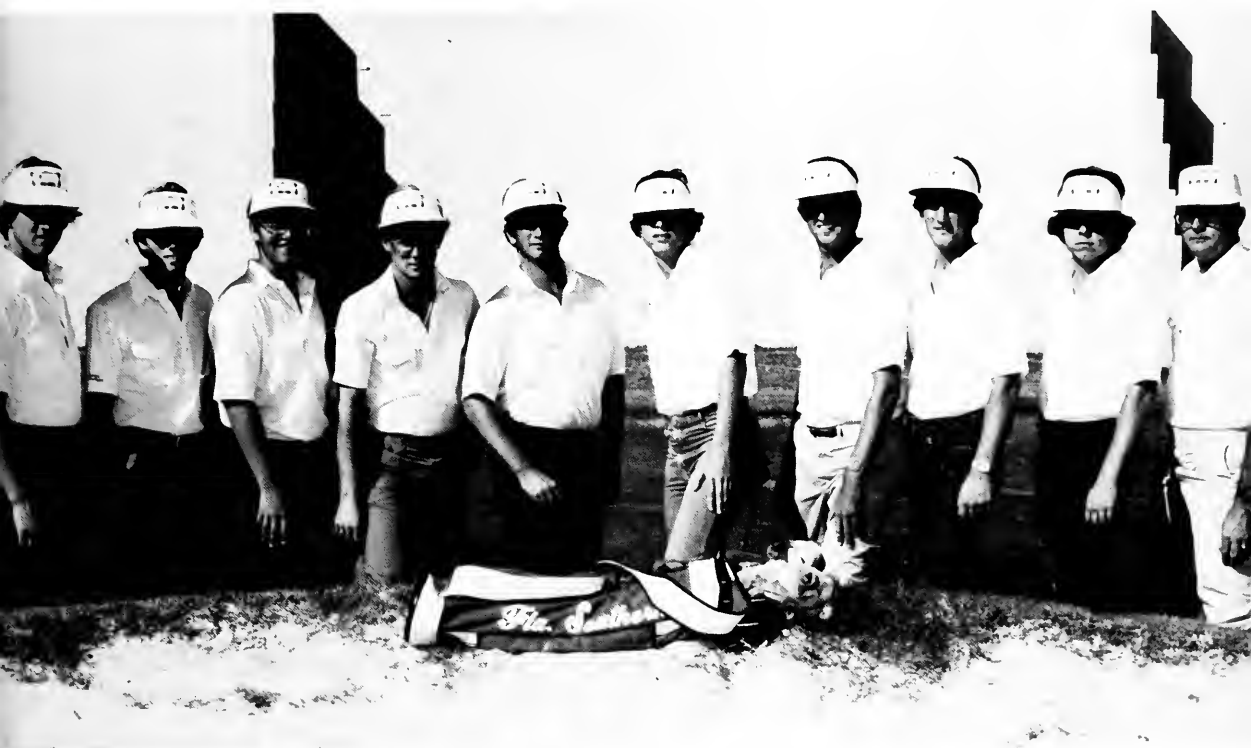

ple Crown. "This year," said Mike, "We have a good chance of winning Nationals again." Coach Matlock agrees, as he indicates that there are three returning golfers who were a part of the 1981 winning team. They are Mike Domalske, Scott Behl, and Jim Northrup, all who are All-Americans.

In the fall the team played warm-up tournaments before their season began. They have already won the Stetson Invitational, and the State Division II tournament. Our team were hosts for the Andy Bean Classic, and will have the honor of hosting the National Tournament. Coach Matlock is delighted that our

honorary chancellor is the famous Arnold Palmer.

Overall, Mike believes that our team has a bright future because it functions as a team, and has the ability to enlist other talented golfers such as Jeff Schmucker, Gregg Gamester, and Greg Cate.

Golf — L-R: Craig Kindrat, Gregg Gamester, Jeff Schmucker, Scott Behl, Jay Schrader, Jim Northrup, Mike Domalske, Marco Dawson, Greg Cate, Charley Matlock

CROSS-COUNTRY TEAM

Enthusiasm, Spirit, and Motivation. Coach Plowman and both the men's and women's teams agree that these three elements helped make their team successful. The "Lady Mocs" were led by number 1 and 2 runners, freshmen, Angie Cicanese and Lory Ford. The men's number 1 and 2 runners were seniors Jon Johnston and Mike Hayes; both competed in Regionals. Jon ran against stiff competition and beat Rollins's number 1 runner, which was his ultimate goal.

Cross Country — 1st Row: Debbie Crocker, Dot Hunt, Susan Flight, Paula Fanna, Angie Cicanese, Lory Ford. 2nd Row: Coach Parker, Mike Hayes, Jim Harris, Coach Plowman, Tim Pfeiffer, Paul Westcott, Jon Johnston, Mark Puflea.

Dot Hunt feels that Coach Plowman is an asset to the team's success. She noted that Coach Plowman runs with the team and keeps them on their toes. Paul Westscott, a freshman, spoke highly of new assistant Coach Parker. "The seniors also have done a great job in keeping the team a tight and competitive unit. I'd like to follow their

footsteps," said Paul.

Coach Plowman commented, "Running is a challenge that gives great satisfaction to the runners as well as the coach." He has great expectations for next year, and invites everyone who would like to participate in this experience to come out for the team.

WOMEN'S TENNIS

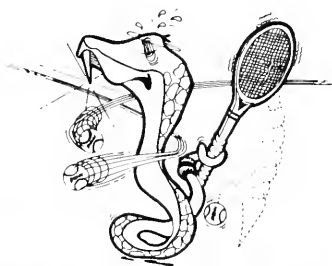

Game, Set, Match. That is what the Women's tennis team kept taking. The Lady Mocs had some tough matches against 9 Division I schools. UCF, USF, and Rollins were among the competitors. The team also played against 22 Division II schools.

Nine women made up the squad: the 4 veterans included Eva Zwemer, Renee St. Louis, Lea Snow, and Mary Dieffenworth. The 5 rookies were Debbie Greear, Allison Avey, Joanne Mann, Betsy Broadwater, and Bo Wigley. Coach Jeffries observed that the girls

were a close-knit group, competitive, and good-natured.

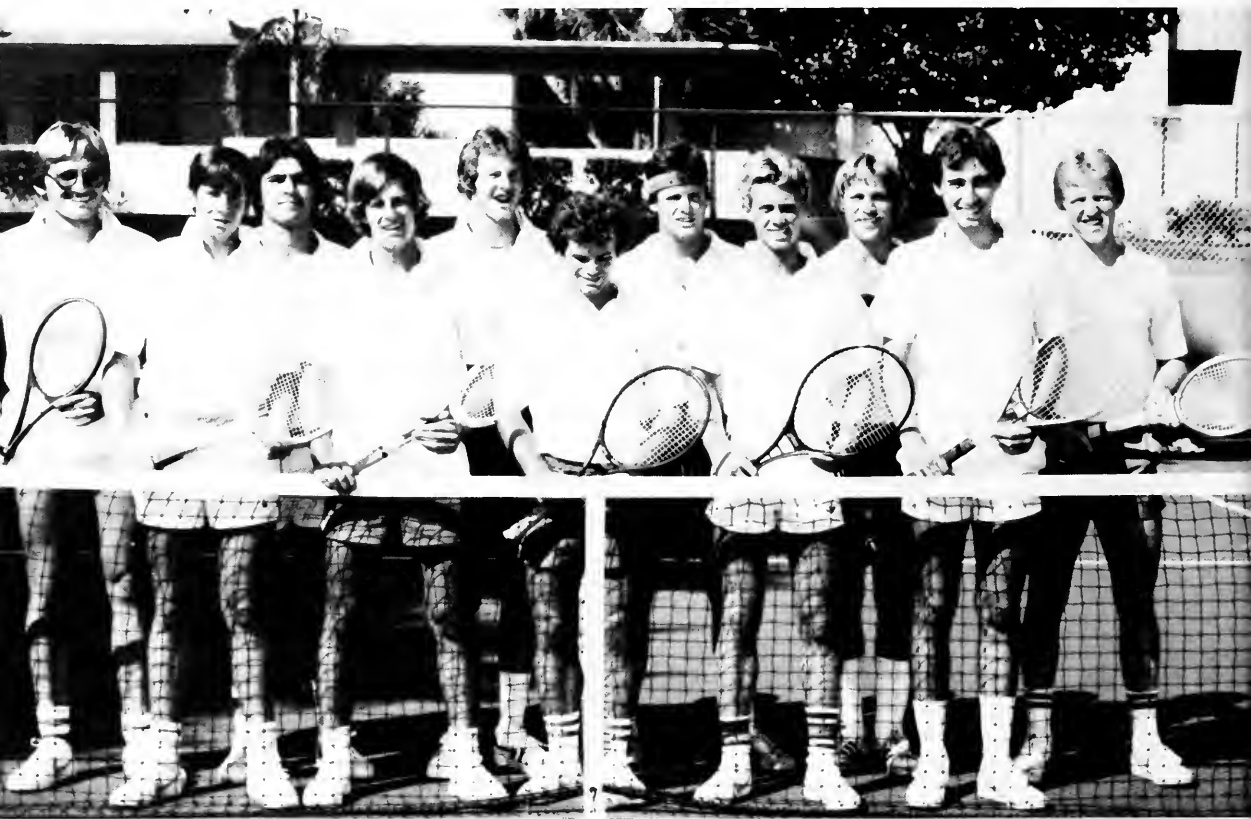

"The schedule was a tough one to play, but the girls met their challenges very well," said Coach Jeffries, "We had a lot of good, high quality players."

Women's Tennis — 1st Row Eva Zwemer, Debbie Greear, Renee St. Louis, Allison Avey, Lea Snow, Joanne Mann 2nd Row Mary Dieffenworth, Betsy Broadwater, Bo Wigley, Coach Jeffries

MEN'S TENNIS

Command performances. The Men's Tennis Team has been giving us just that. The season opener was against tough University of Central Florida. Other tough encounters were USF, and Rollins. Coach Jim Bush notes that the team is balanced,

even though there are Seniors.

Strong performances were turned in by Bill Jones, Roger Bunting, Tom Waddell, Tom Evans, Scott Reinmund, and Dan Wiser. Rounding out the team were Mark Munson, Kal Sabie, Jeff Hill, and Don Seavey. Last

year's record was 22-7. Coach Bush, early in the season, said that the team's goals were to better their season record, qualify for nationals again, and this time take the title.

WOMEN'S BASKETBALL

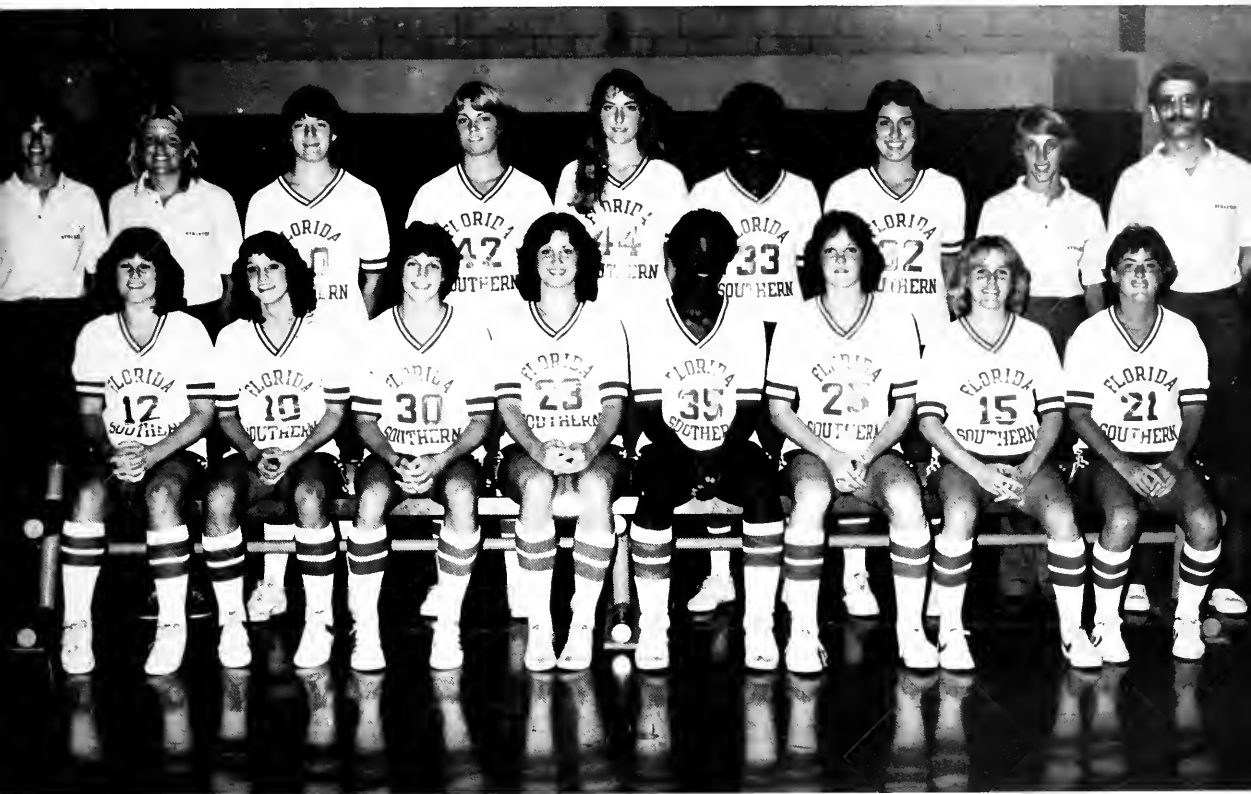

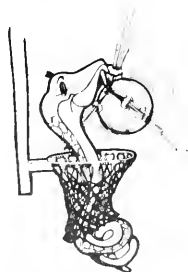

Title bound. The Lady Mocs Basketball team has been working hard all season in hopes of achieving their goal, the state title. The Lady Mocs have played tough teams such as Tampa, UCF, Stetson, and USF. The team has consistently used the talents of Jody Kay, who earned all-

state honors last season and led the team in scoring with a 13.2 average, and 6'0" Senior Debbie Crocker.

Other returning players were Kathy Montgomery (36 assists last year), Lisa Mason (6.6 rebounds avg. last year), Robin Rosemeier, and Lorri Marvel. Other notables include

Holly Butterfield, Sandy Hudson, and Laticia Williams. The new assistant coach is Dick Goding. Earlier in the season Coach Webb stated, "I'm enthusiastic about the season. I feel confident that we can improve our state finish."

MEN'S BASKETBALL

Defending. That is what the 1982 Basketball Mocs are all about. After winning the 1981 Division II national championship the Mocs continued their winning ways in the 1981-82 season. First team All-American John Ebeling returned for his senior season as did Brian Radon, Mark King, and Bob Zipko. Others returning were guards Jim Harris, Moses Johnson, and Scott Pospichal. The moving Mocs played a host of

Division I teams to complement their Sunshine State schedule. FSC downed Brown University, 78-62, in the Juice Bowl Tournament. The Mocs also trounced Sienna College (90-75) and placed third in the Citrus Tournament with a 85-58 thrashing of Bethune-Cookman College.

Individually, Ebeling remained leader of the scoring and master of the boards. At one time in the season, he had a Division II leading

average of 27.6 points per game and led the team in rebounds with a 13.1 average. The 6'9", 235-pound Ebeling even broke a school record by scoring 50 points against Otterbein. Sharp-shooting forwards Mark King and Brian Radon, and guard Moses Johnson also contributed considerably to points on the scoreboard.

CHEERLEADERS

Spirited and dazzling. Throughout the basketball season the cheerleaders were seen doing more dance routines (such as Urban Cowboy), more gymnastics, and plenty of yelling. The girls themselves have their own specialties. Robin Achille is known for her dance skill, Sandy Sousa and Holly Alexander for their gym-

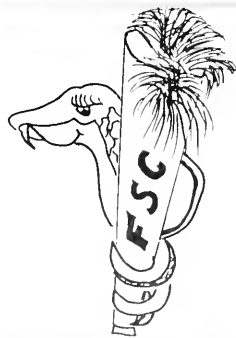

nastics, and Sr. Donna Parkman, captain, for keeping the squad unified as a top-notch squad.

Theresa Schrader, Amy Hodges, Donna Auger, and Lori Milligan help to keep that squad top-notch.

The hard work has paid off, the girls received a special invitation from Walt Disney World to audition for their touring marching band and

drill team. Coach Bill Welch was delighted, that the girls have earned the honor, especially since it is his first year with the squad. Coach Welch said that since the beginning of the school year, the girls have done nothing but excel, and all have worked hard to promote the famed "Moc Mania."

Cheerleading — 1st Row Donna Auger, Sandy Sousa, Holly Alexander, Donna Parkman, Robbin Achille, Theresa Schrader, Amy Hodges, Lori Milligan

BASEBALL

Led by Head Coach Joe Arnold, NCAA Division II Coach of the Year, the Mocs sought to bring home another national championship trophy. Like the basketball team, the baseball Mocs played numerous Division I foes. Among them were Southern University, Eastern Michigan, Western Michigan,

J.V. Baseball — 1st Row. Mike Moore, Doug Shanteak, Curt Rawsthorne, Jim Barr, Mike Piesins, Tony Senzamici, Carl Yancey. 2nd Row. Evansville, Old Dominion, Purdue, North Carolina, Seton Hall, and Providence.

The Mocs finished the last third of the season against such Sunshine State powerhouses as Rollins and Eckerd.

Hitting stars of 1981 returning for the Mocs were Richard Drago (.397),

Mark Angelo (.375, eight home runs), and Don Koch (.351, 60 RBI's, and nine home runs). Members of the '81 championship team that played in '82 were Joe Sickles, Tom Locke, Chris Comper, Mike McManamon, Dave Lowe, Jim Chism, and Bob Cullinan.

SOFTBALL

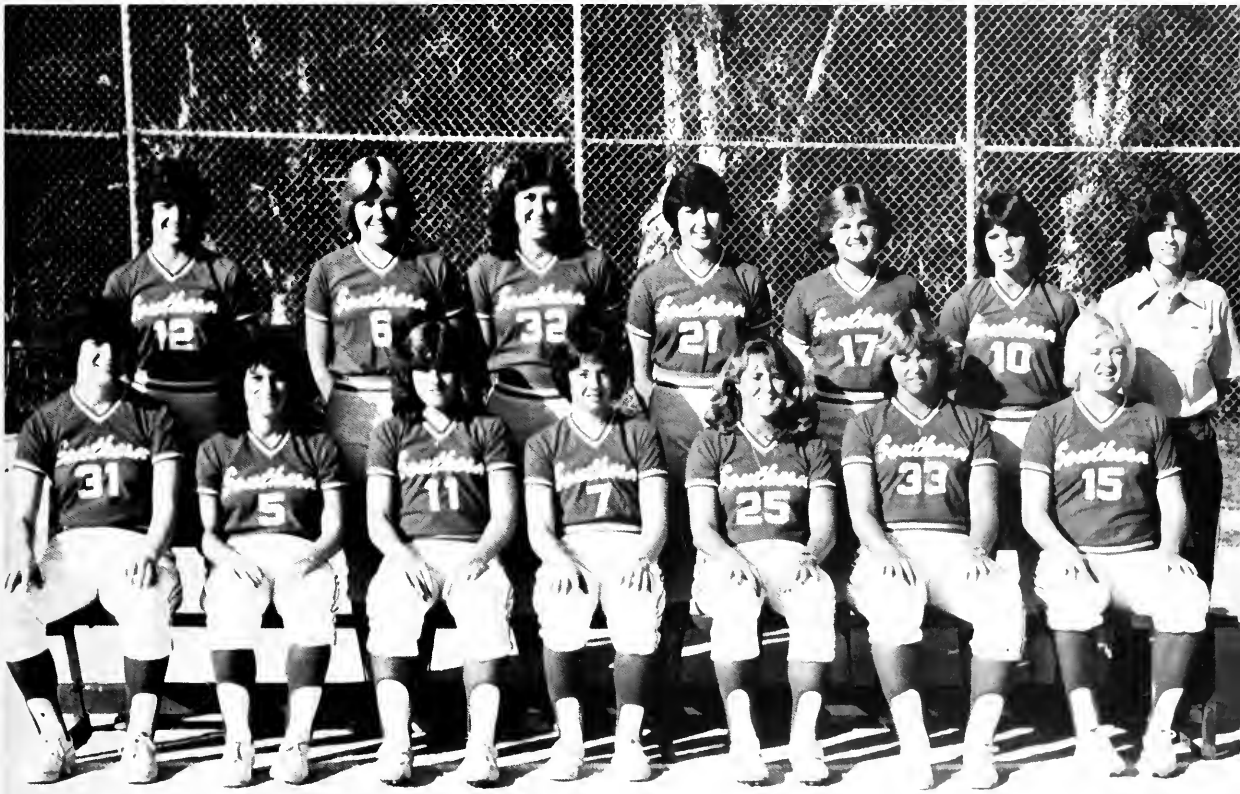

1982 marks the first year for women's softball to be at the varsity intercollegiate level. However, women's softball is not new in terms of its club status competition, the last 2 years under Coach Bellatto. The Lady Mocs have recorded an overall win-loss record of 37-19 and have had showings in the state contest of 3rd and 5th, respectively. Coach Bellatto has been working with the

team for the past three years and her goal is to gain a state title despite the fact that Division I and Division II schools compete for the same title.

Impressive wins last year were over University of Florida, and University of South Florida. With all-state returnees Jody Kay and Amy Heuser, key new recruits, and the rest of the veterans the "new" future looks bright. Coach Bellatto says she

is proud of her team that boasts two 1981 all-state recipients in softball, Amy Heuser (short-fielder), and Jody Kay (pitcher). She also mentioned such notables as Sandy Hudson (1st FSC female All-American in volleyball), and Holly Butterfield (nominated to NCAA All-National Volleyball Tournament team).

FRESHMEN

SOPHOMORES

"The ladder to graduation has four huge rungs: freshman, sophomore, junior, senior. But from freshman "15" to senior "itis" all the

CLASSES

at Florida Southern have one thing in common; class. From Gilbert Gym to Communications, from Edge Hall to Ordway, students of all classes are making tracks all over the campus five days a week."

*As time passes,
distances increase, memories fade,
and friends become merely acquaintances —
But the impressions
that these have made on my life
can never be erased.
With the past and all of its memories
and the future holding all of my dreams —
There is nothing I cannot strive for;
There is nothing I cannot reach.*

IMC/Florida is minerals, chemicals, energy, environment, people.

Minerals. IMC produces more phosphate than any other company in the world. Annual capacity of over 13 million tons is 25 percent of U.S., and 10 percent of world output. IMC's Port Sutton terminal on Tampa Bay ships more than five million tons annually to major world markets.

Chemicals. New Wales Chemicals Inc., a subsidiary, operates the world's largest concentrated phosphate chemicals fertilizer complex. It also produces phosphate-based animal feed ingredients.

Energy. A special recovery system at New Wales extracts two million pounds of uranium a year from the plant's principal product line — phosphoric acid. About half this output provides energy for Miami-based Florida Power & Light Company which serves 35 counties that make up half the state's nine million population. The balance is contracted to the Tennessee Valley Authority, and four New England power companies.

Fertilizers. Three plants offer a complete line of fertilizers for mid-Florida ranches, groves and farms.

Environment. IMC recharges and recycles millions of gallons of water per day. New disciplines augment air quality controls and expedite recovery of retaining ponds in a program that has reclaimed thousands of mined-out acres. A land management program includes 35,000 acres of ranchland and 4,000 acres of citrus groves.

People. More than 3,000 IMC employees contribute to mid-Florida's economy. Their talents and innovative efforts signal IMC's environmental/operational progress. They care about mid-Florida, just as you do. Not just *how* it lives, but *how well* it lives, too.

"I have come to the end of my 1981-82 school year at Florida Southern College. It seems like yesterday I was standing in line at registration. Now, in

CLOSING

I am faced with that tearful challenge of wishing everyone a great summer, some of whom I will see again and others of whom I may not. All the friends, the housemothers, the rooms and the roommates, the laundry, the food, the mailboxes, the scoobin-in — they've all been so good to me.

When I look back on this year, I will think of all of you. When I look back, maybe I'll laugh, maybe I'll cry, maybe I'll smile, maybe I'll get angry. But one thing is for sure: I will look back."

We Will Remember . . .

... Friends and Fun, Love and Laughter. As another year at Southern ends, there were many happy times to remember.

There were times of joy and sadness.

There were problems and pressures, but with knowledge and understanding we found solutions and success.

We will remember our years at Florida Southern College.

... will walk away from Florida Southern and begin new careers and jobs. They will move to different towns and make new friends.

Their lives will be full of wonderful experiences and many new adventures.

The things they've done here at Southern have helped shape who they are.

Seniors . . .

... are made of many memories — moving in as a Freshman, nervous and excited — being a Sophomore, studying hard — becoming a Junior, keeping busy. Spending a great Senior year learning and growing.

We will remember late night study sessions, talks with special friends, playing sports to challenge our bodies, and growing from all our college experiences.

Our College Years

Keep a song of joy
Inside your heart.
Even though the time
Has come for us to part.
We'll be together soon
And time will fly,
Cause we never really
Say goodbye.
Don't forget the love we
Shared today.
Sweet memories to keep
Us warm along the way.
I'll hold you in my heart
So don't you cry,
Cause we never really
Say goodbye.
